

Università degli Studi della Basilicata
Scuola di Ingegneria

PROF. Roberto Vassallo

SCIENTIFIC CURRICULUM VITAE:

Roberto Vassallo graduated with honours in Civil Engineering (specialty: Geotechnics) in 1998 and obtained the Italian Doctoral degree (Ph.D. equivalent) in Geotechnical Engineering in 2003. He is Assistant Professor in Geotechnical Engineering at University of Basilicata since 2005. He obtained in 2014 the National Scientific Habilitation to the position of Associate Professor. His main research interests are: landslides; unsaturated soils; physico-chemical interaction between solid skeleton and pore fluid in clayey soils; soil dynamics. Co-author of 15 journal papers, conference papers and research reports.

PROFESSOR'S OFFICE HOUR:

In Potenza: Monday from 15 to 18, Macchia Romana Campus, Soil Mechanics Laboratory (Laboratorio di Geotecnica), room 4.

In Matera: during the period of Soil Mechanics classes, before or after classes or by appointment. In other periods, by appointment only.
