

Università degli Studi della Basilicata
Scuola di Ingegneria

PROF. Filomena Canora

SCIENTIFIC CURRICULUM VITAE:

Filomena Canora is an Assistant Professor of Engineering Geology at School of Engineering at University of Basilicata. She received her M.S. in Environmental Engineering from University of Basilicata. Dr. Canora's earned the high qualification PhD in Engineering for the protection of ecosystems, of the Interpolytechnic Doctorate sponsored by Polytechnics of Bari, Turin and Milan. She was visiting researcher to the California State University. She became a postdoctoral fellow for two years at the University of Basilicata. Dr. Canora's research interests focus on hydrogeology, groundwater flow and contaminant transport modeling in saturated and unsaturated media, environmental geology, groundwater pollution and risk, landslide hazard and risk, land degradation and coastal erosion dynamics. She has published more than 50 research papers in national and international journals, conference proceedings and book chapters. She is a reviewer of important scientific journals related to her expertises.

PROFESSOR'S OFFICE HOUR:

Wednesday 11.00 to 13.00

Friday 11.00 to 13.00

Campus of Macchia Romana, School of Engineering, 3rd floor, room n. 36 – via dell'Ateneo Lucano, 10 - Potenza
