

Ph.D. student activity form

29/04/2024

Dottorato di ricerca in Ingegneria per l'Innovazione e lo Sviluppo Sostenibile

Scuola di Ingegneria

Università degli Studi della Basilicata

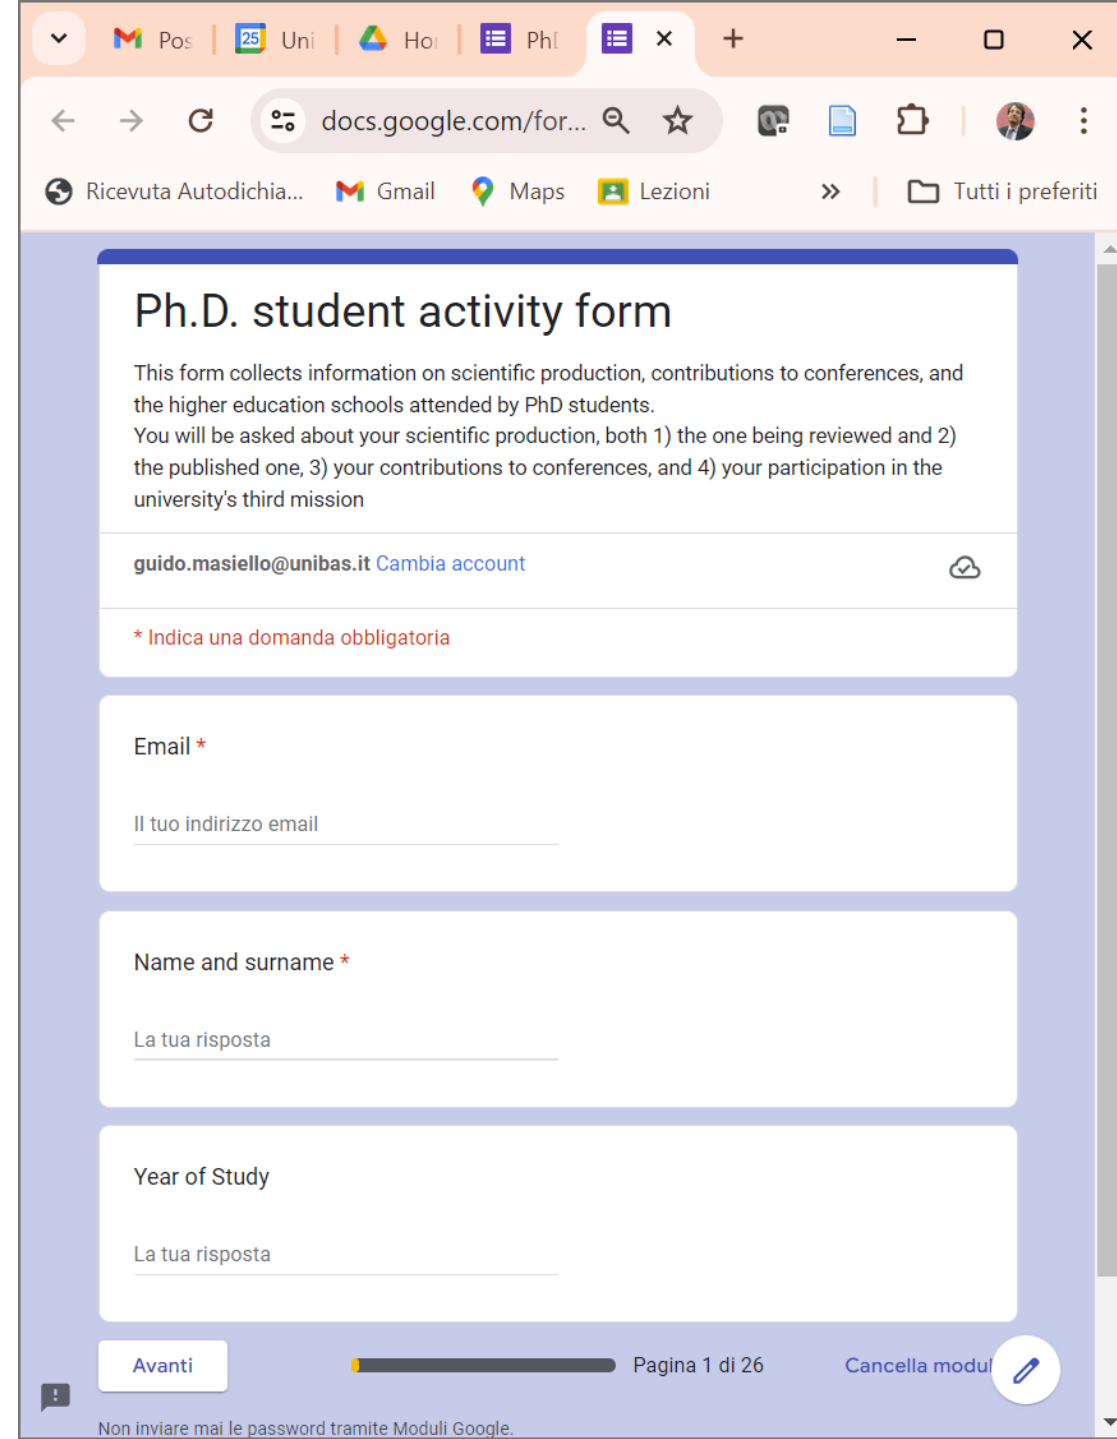

The Form

- It collects quantitative and qualitative information on the scientific activity and Third Mission of PhD students.
 - It complements the PhD student opinion survey prepared by the Quality Assurance Unit (PQA) in accordance with what was approved by ANVUR
 - It is implemented using the Google Form of the University's G Suite, in English
-

The form will monitor

1. Under review publications
2. Published Publications
3. Conference Contributions
4. Third Mission Activities

The screenshot shows a web browser window displaying a Google Form titled "Ph.D. student activity form". The browser's address bar shows "docs.google.com/for...". The form's introduction text reads: "This form collects information on scientific production, contributions to conferences, and the higher education schools attended by PhD students. You will be asked about your scientific production, both 1) the one being reviewed and 2) the published one, 3) your contributions to conferences, and 4) your participation in the university's third mission". Below the introduction, the user's email "guido.masiello@unibas.it" is displayed with a "Cambia account" link. A red asterisk indicates a mandatory field: "* Indica una domanda obbligatoria". The form contains three input fields: "Email *" with the placeholder "Il tuo indirizzo email", "Name and surname *" with the placeholder "La tua risposta", and "Year of Study" with the placeholder "La tua risposta". At the bottom, there is an "Avanti" button, a progress indicator showing "Pagina 1 di 26", and a "Cancella modulo" button with an edit icon. A footer note at the bottom states "Non inviare mai le password tramite Moduli Google."

1. Under Review Publications

- It is asked if there are publications under review
- How many
- How many indexed ISI/WoS

The screenshot shows a Google Forms interface for a 'Ph.D. student activity form'. The user is logged in as 'guido.masiello@unibas.it' with a 'Bozza salvata' (Draft saved) indicator. The form is on page 2 of 26. The current section is '1. Publications under review', which asks the respondent to indicate how many co-authored publications are under review. The questions and answers are as follows:

- Do you currently have work under review? *
 - Yes
 - No
- How many publications are under review? *
3
- Among these, how many are indexed on ISI/WoS? *
2

Navigation buttons 'Indietro' (Back) and 'Avanti' (Next) are visible at the bottom. A footer note states: 'Non inviare mai le password tramite Moduli Google. Questo modulo è stato creato all'interno di Università degli Studi della Basilicata. Segnala abuso'.

2. Published Publications

- It is asked if the PhD student has published the results of his research
- If yes,
 - you are asked to enter the number of publications (due to technical reasons related to Google Forms, the maximum number of publications is set equal to **9**. If there are more, please inform the GAQ coordinator).
- If no,
 - you proceed to the section related to Conferences Section.

Number of Publications

How many publications *

Please indicate the number of publications in digits.
At the moment, the form foresees a maximum number of publications equal to 9. If the student has produced more, contact the Head of the Quality Assurance group, Guido Masiello (guido.masiello@unibas.it)

La tua risposta

Indietro Avanti Pagina 4 di 26 [Cancella modulo](#)

Publication Description

- We ask about the type of publication according to the categories of IRIS products,
- the circulation of the product,
- whether it is indexed in ISI/WoS,
- we request the insertion of the IRIS ID
- if available, the DOI (digital object identifier).
- At the end of each publication form, it is asked whether an additional publication should be entered.
- If yes,
 - another identical form opens (up to **9**).
- If no,
 - you proceed to the Conferences section

The image shows a browser window displaying a Google Docs form titled "Publication 1". The form is used for describing a publication according to specific criteria. The browser's address bar shows "docs.google.com/for...". The form contains several sections:

- Publication 1**: A header section with a blue background.
- Describe the publication according to the criteria listed below**: A text input field.
- Type of Publication ***: A dropdown menu with the selected option "Journal Paper (1.1 Articolo su Rivista)".
- Product Circulation**: A dropdown menu with the selected option "International".
- Is the publication indexed ISI/Scopus? ***: Radio buttons for "Yes" (selected) and "No".
- IRIS Id ***: A text input field containing "11563/174026".
- digital object identifier: (if any)**: A text input field containing "10.1016/j.rsase.2023.101083".
- Insert another publication? ***: Radio buttons for "Yes" and "No" (selected).

At the bottom of the form, there are navigation buttons: "Indietro", "Avanti", and "Cancella modulo". The page number "Pagina 5 di 26" is also visible.

3. Contributions to Congresses

- It is asked whether the PhD student has presented their work at conferences
- If yes,
 - you are asked to enter the number of conferences (due to technical reasons related to the specifics of Google Forms, the maximum number of conferences is set equal to **9**. If there are more, please inform the GAQ coordinator)
- If no,
 - you proceed to the section related to the Third Mission section

Conference Description

- It is requested to describe the relevance of the conference
- If the congress is Online or In person
- The Location
- The Type of Contribution
 - Poster, Oral, Invited, Convener
- At the end of each Conference form, it is asked whether an additional Conference should be entered.
- If yes,
 - another identical form opens (up to **9**).
- If no,
 - you proceed to the Third Mission section

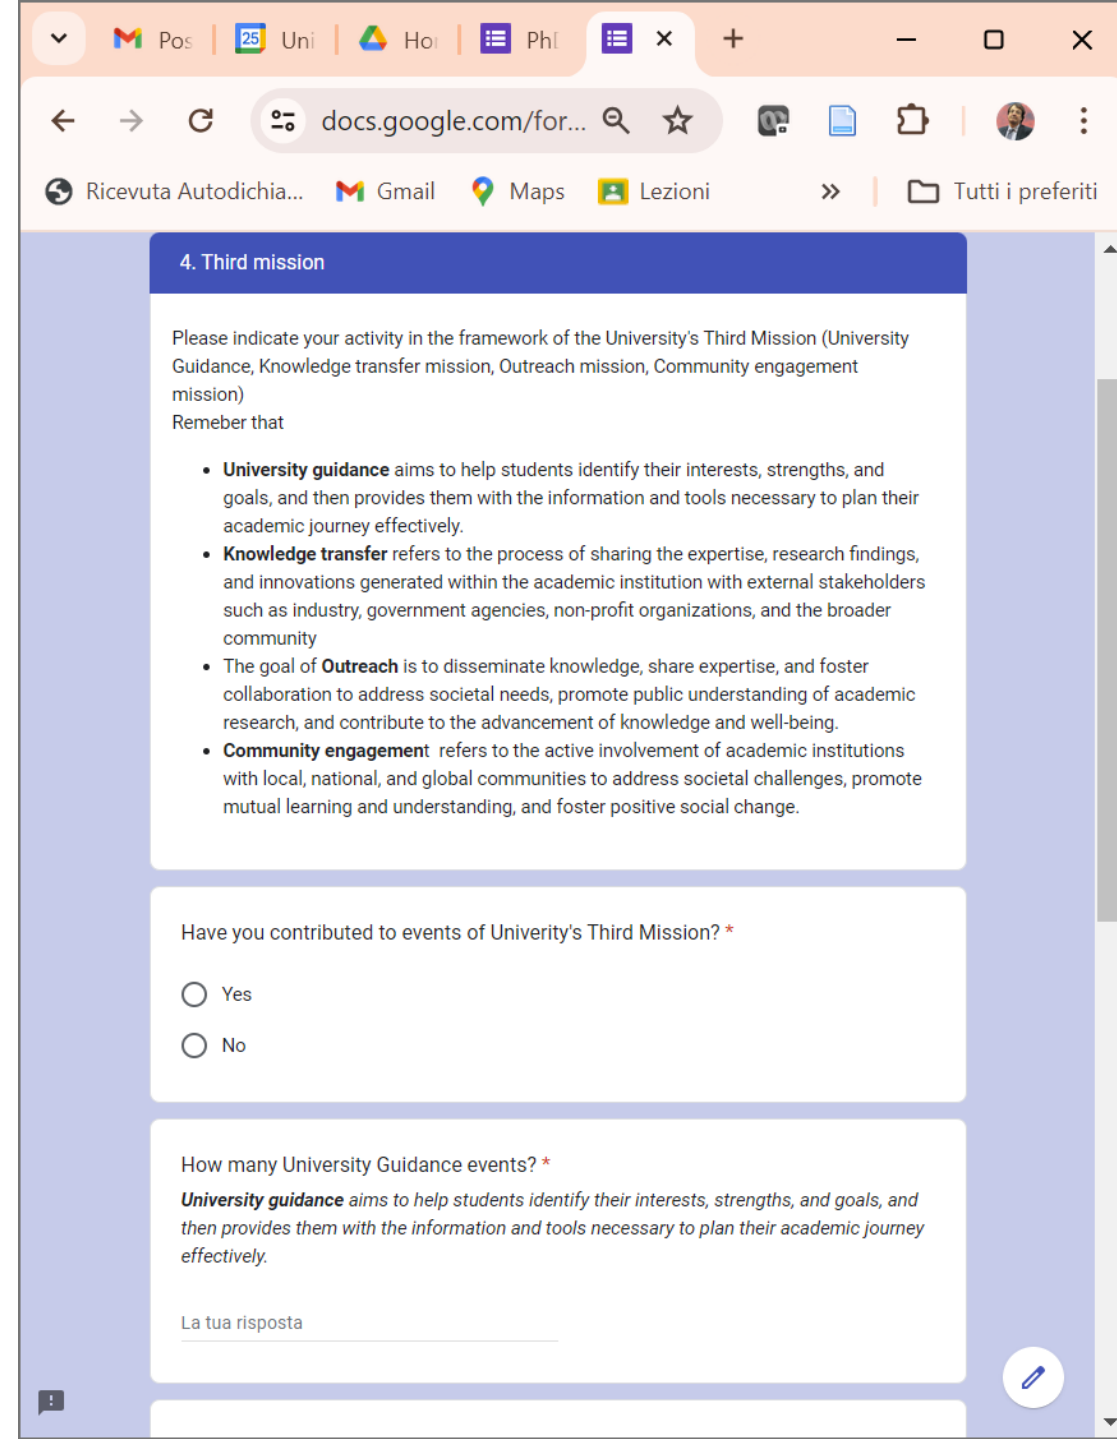

The screenshot shows a Google Docs form titled "Ph.D. student activity form" in a browser window. The form is for a user named "guido.masiello@unibas.it" and is part of a "Bozza salvata" (saved draft). The form contains several sections:

- Contribution 1**: A section header for the first contribution.
- Relevance of the congress/workshop ***: A dropdown menu with "International" selected.
- Methods of the congress/workshop ***: A dropdown menu with "In person" selected.
- Location of the congress/workshop ***: A dropdown menu with "Abroad" selected.
- Type of Contribution ***: A dropdown menu with "Oral" selected.
- Insert another contribution to congress/workshop? ***: Radio buttons for "Yes" and "No", with "No" selected.

At the bottom of the form, there are buttons for "Indietro" (Back) and "Avanti" (Next), a progress bar, and the text "Pagina 16 di 26" (Page 16 of 26). There is also a "Cancella modulo" (Cancel form) link and an edit icon.

4. Third Mission

- It is asked whether the PhD student has participated in third mission activities.
- It is also requested quantitatively to indicate the type of Third Mission in which they have been involved
 - University Guidance
 - Knowledge Transfer
 - Outreach
 - Community Engagement
- An event can be classified into two or more categories (for example, a popular lecture attended by high schools and the general public is simultaneously categorized as University guidance and Outreach).

The screenshot shows a Google Docs form titled "4. Third mission". The form contains the following text and questions:

Please indicate your activity in the framework of the University's Third Mission (University Guidance, Knowledge transfer mission, Outreach mission, Community engagement mission)

Remeber that

- **University guidance** aims to help students identify their interests, strengths, and goals, and then provides them with the information and tools necessary to plan their academic journey effectively.
- **Knowledge transfer** refers to the process of sharing the expertise, research findings, and innovations generated within the academic institution with external stakeholders such as industry, government agencies, non-profit organizations, and the broader community
- The goal of **Outreach** is to disseminate knowledge, share expertise, and foster collaboration to address societal needs, promote public understanding of academic research, and contribute to the advancement of knowledge and well-being.
- **Community engagement** refers to the active involvement of academic institutions with local, national, and global communities to address societal challenges, promote mutual learning and understanding, and foster positive social change.

Have you contributed to events of Univerity's Third Mission? *

Yes

No

How many University Guidance events? *

University guidance aims to help students identify their interests, strengths, and goals, and then provides them with the information and tools necessary to plan their academic journey effectively.

La tua risposta

The Form

- ... allows the doctoral committee to monitor the activities of the students
- ..., accompanied by the end-of-year report of the PhD students, will enable the PhD Quality Assurance Group (GAQ) to carry out the review activities
- ... by involving PhD students in data collection activities for the department's research, facilitates the temporal alignment of the university's scientific production database (IRIS)
- ... contributes to the department's Third Mission database.

Ph.D. student activity form

This form collects information on scientific production, contributions to conferences, and the higher education schools attended by PhD students.

You will be asked about your scientific production, both 1) the one being reviewed and 2) the published one, 3) your contributions to conferences, and 4) your participation in the university's third mission.

For more information on the current form download the presentation at this link https://drive.google.com/file/d/1bGerPdcvhACXNLd_g7C4ApmvzZ8Hzzs8/view?usp=sharing

4. Third mission

Please indicate your activity in the framework of the University's Third Mission (University Guidance, Knowledge transfer mission, Outreach mission, Community engagement mission)

Remember that

- **University guidance** aims to help students identify their interests, strengths, and goals, and then provides them with the information and tools necessary to plan their academic journey effectively.
- **Knowledge transfer** refers to the process of sharing the expertise, research findings, and innovations generated within the academic institution with external stakeholders such as industry, government agencies, non-profit organizations, and the broader community
- The goal of **Outreach** is to disseminate knowledge, share expertise, and foster collaboration to address societal needs, promote public understanding of academic research, and contribute to the advancement of knowledge and well-being.
- **Community engagement** refers to the active involvement of academic institutions with local, national, and global communities to address societal challenges, promote mutual learning and understanding, and foster positive social change.

108. Have you contributed to events of University's Third Mission? *

Contrassegna solo un ovale.

- Yes
- No *Vai alla sezione 26 (Thank You).*

109. How many University Guidance events? *
